

Incremental improvements made during the preceding five years

Incremental improvements in administrative and academic domains are listed below –

- A number of new courses initiated
 - Post Graduate Diploma in Computer Applications (PGDCA) from the session 2016-17
 - Geography as a new subject in Undergraduate level was introduced from the session 2017-18.
 - Post graduate degree course in two new subjects Sociology and Political Science were introduced from the session 2018-19.
- Establishment of Wi-fi campus with RF connectivity – The college campus is equipped with wired and wireless LAN. The college is more than five Km away from the local BSNL office. Frequent cable cut was a major problem for the availability of uninterrupted internet connectivity in this remote area. The problem was discussed with the GM, TD-Raipur. As per his suggestions we have opted for RF connectivity to resolve the problem.
- With increasing student strength, the seating capacity of the old building was felt to be insufficient. The extension of the college building was inevitable. The department of HE accepted the college proposal for the same and sanctioned 1 Crore rupees for the same. The new building was duly completed and inaugurated in the session 2017-18. The new building has a seminar hall equipped with modern amenities like Wall mounted screen, ceiling mounted LCD projector and acoustically designed sound system.
- The college campus is equipped with electronic surveillance system which was initiated in the session 2016-17 and further extended in 2017-18. Total 21 CCTV cameras have been installed for the purpose.
- Campus has sufficient power backup through a 3KVA inverter.
- The seminar hall and computer laboratory is equipped with ICT based teaching learning facilities.
- The drinking water facilities have improved with a new bore and installation of two new water coolers and UV water filters.
- In the field of social welfare and community services, the institution has registered its presence and effectiveness through NSS activities, cleanliness drives, plantation programs, Blood donation camps and other social outlets.

- Incremental improvements in basic amenities such as sanitation, provision for safe drinking water with installation of water coolers' purifiers, cleanliness drives, Also improvement of facilities for 'divyangjan (DA)' were implemented.
- Following schemes are approved by central/state govt. for college.
 - Roof top solar Power generating system through Mini power plant by solar panel installation (central govt. MHRD, scheme).
 - Smart classroom, full functional with digitized learning equipment and video lectures (by state govt.)
- Pass-percentage in various UG/PG classes has increased significantly. In 2013-14 MS. Shobhna Devi Sen secured first position in university merit list of M.A. History and in 2016-17 Ms. Chandresh Sahu has secured first position in the university merit list of MA Hindi IV Semester.
- The students of the college also appear in the university merit list on regular basis, as detailed below –

Session	Name Of Student	Course	Merit Position	Remarks
2013-14	Ku.Shobhna Devi Sen	M.A. History IV Semester	I	GOLD MEDALIST
2015-16	Ku.Ratna Verma	M.A. Hindi IV Semester	III	
2015-16	Ku.Yogmaya Sahu	M.A. History IV Semester	V
